

CRT + TBS

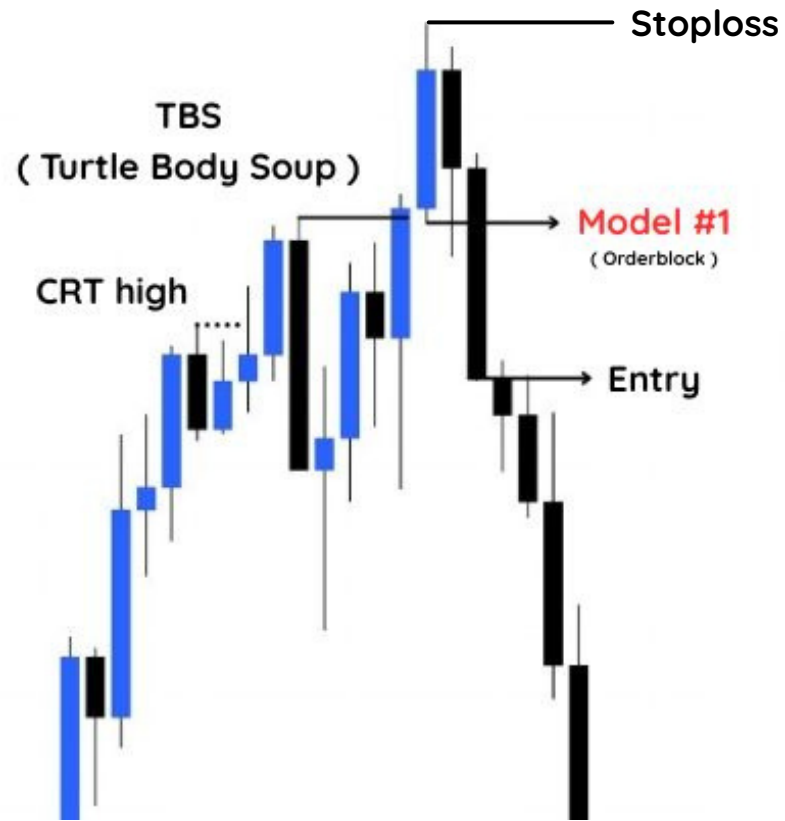

Stoploss & Entry

**At first let's see when to place
the entry on LTF**

Only after we got
the **Model #1**
confirmation we
need place the
entry

**Now let's see where to place
the stoploss**

**After we placed
the entry the
stoploss should
be always placed
on extreme
high/low**

Note :

Don't get greed and place a tiny stoploss
