These are major valid keylevels of CRT

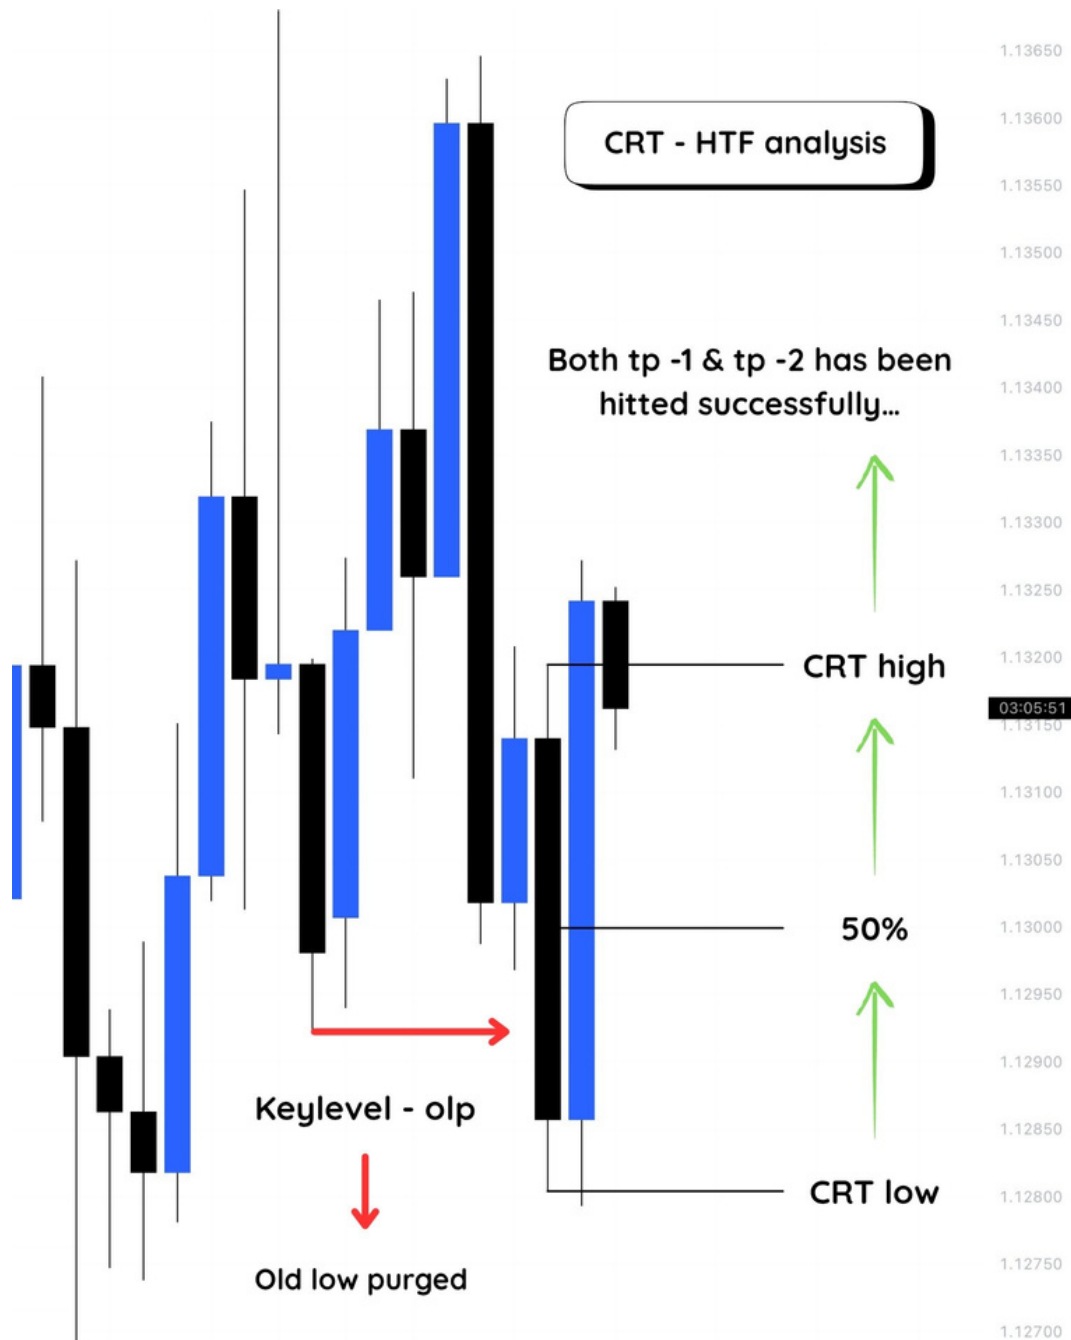

**We need to find the CRT Candle and keylevel
on the same timeframe**

**Also only after we found the CRT Candle
we need to find the **keylevel****

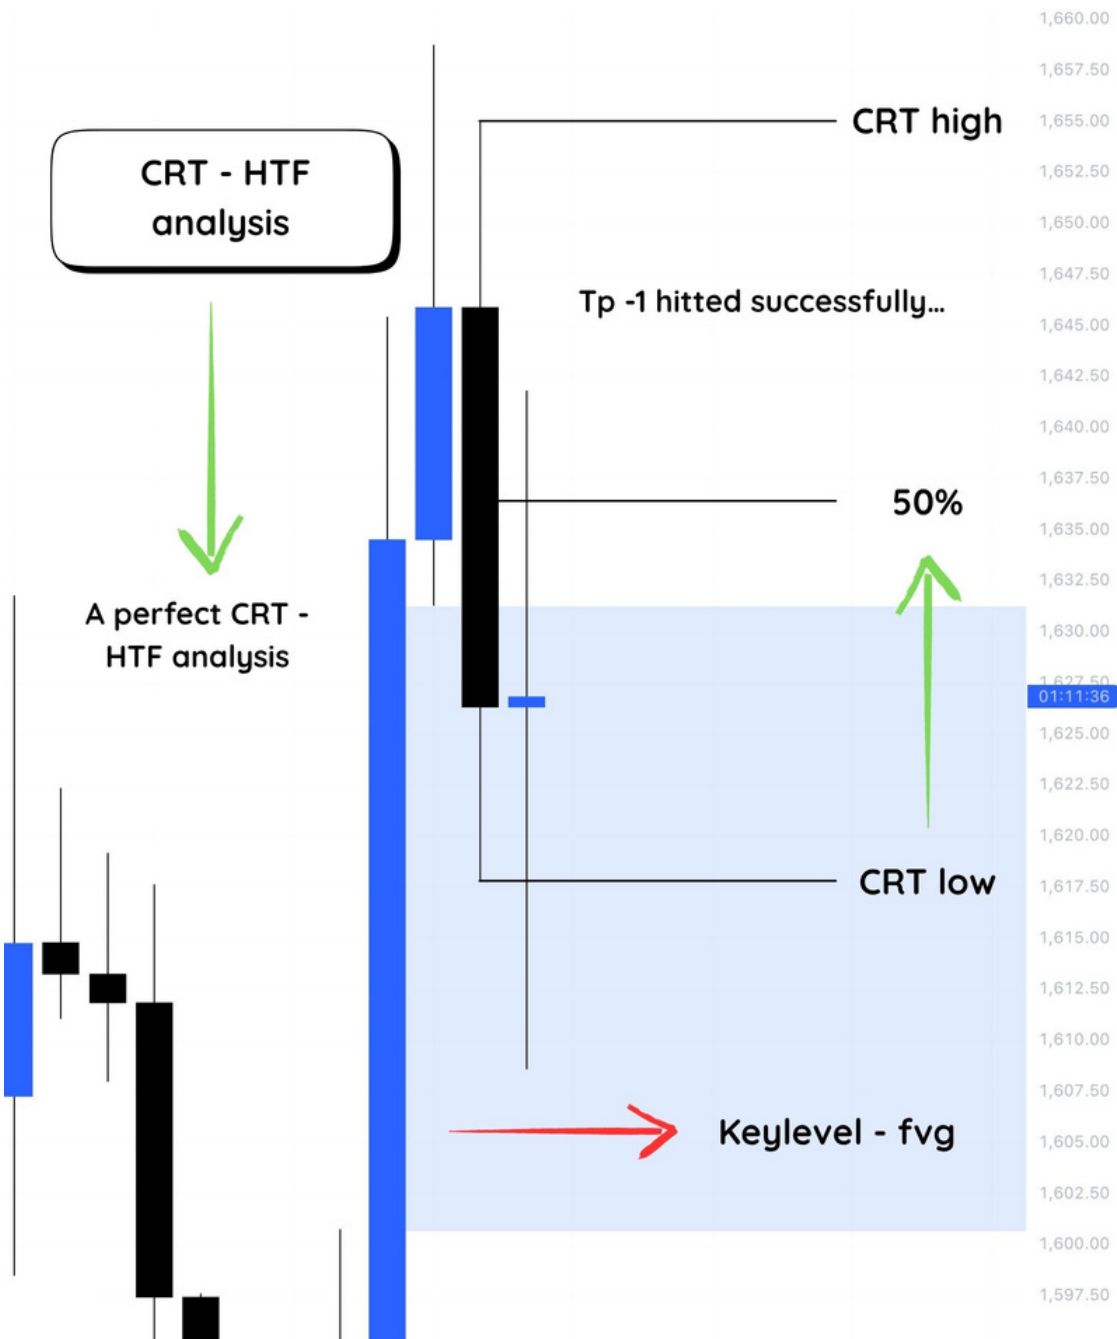

Now let us see the real chart examples of HTF with CRT Candle and each keylevels...

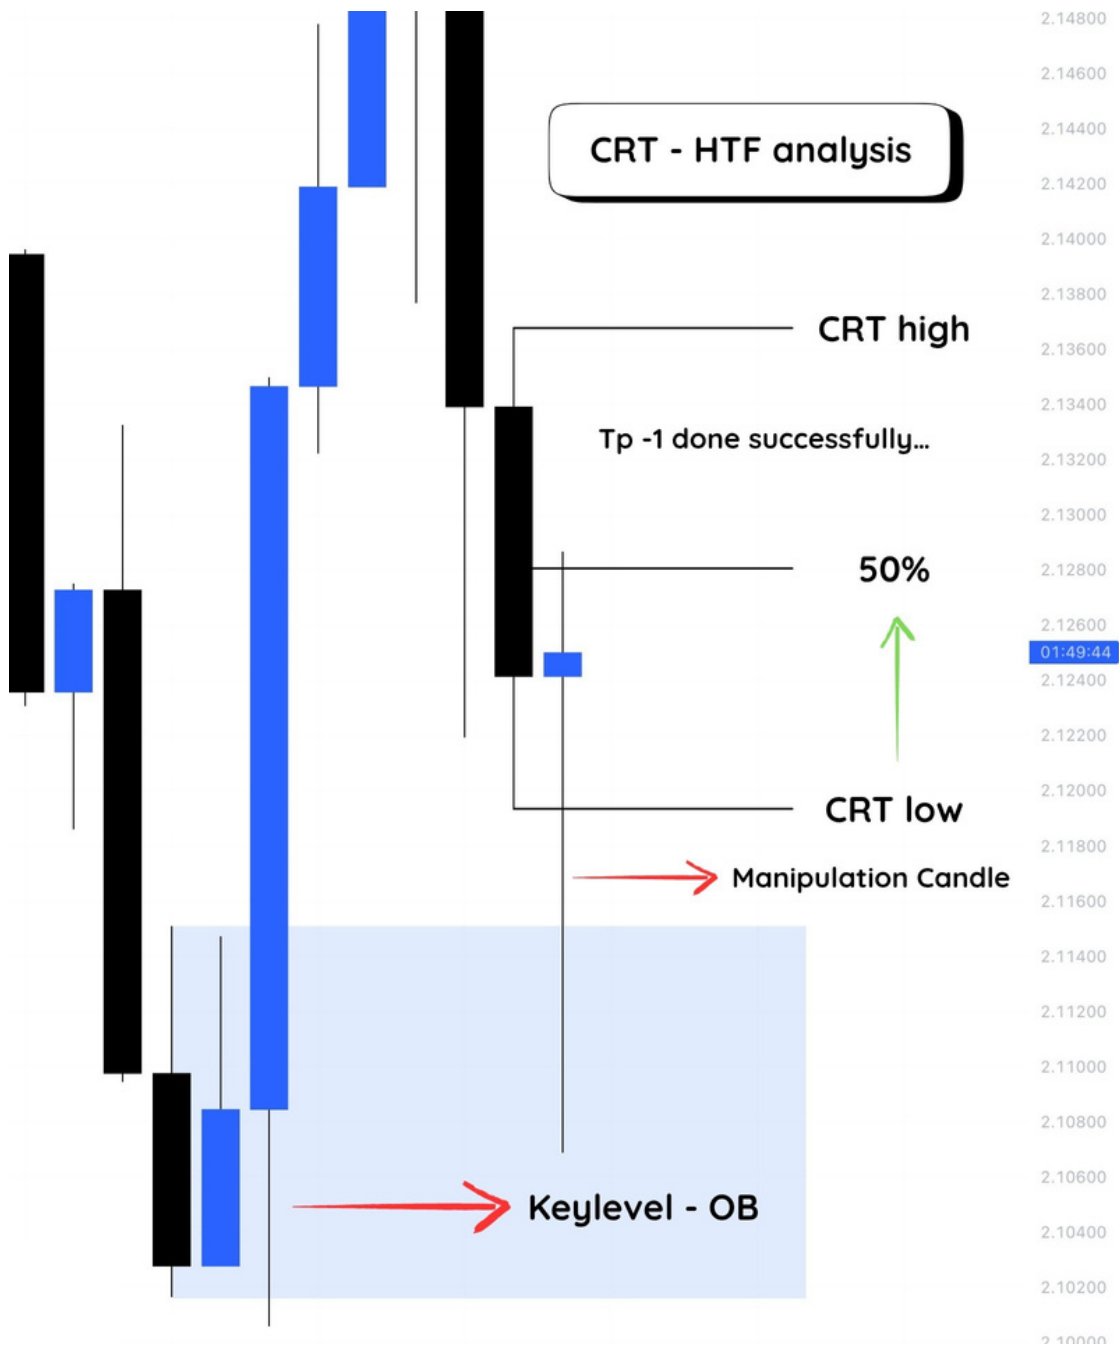

CRT with keylevel -
ohp

CRT with keylevel -
olp

**CRT with keylevel -
fvg**

CRT with keylevel -
ob
