

Clarification of A+ CRT Candle

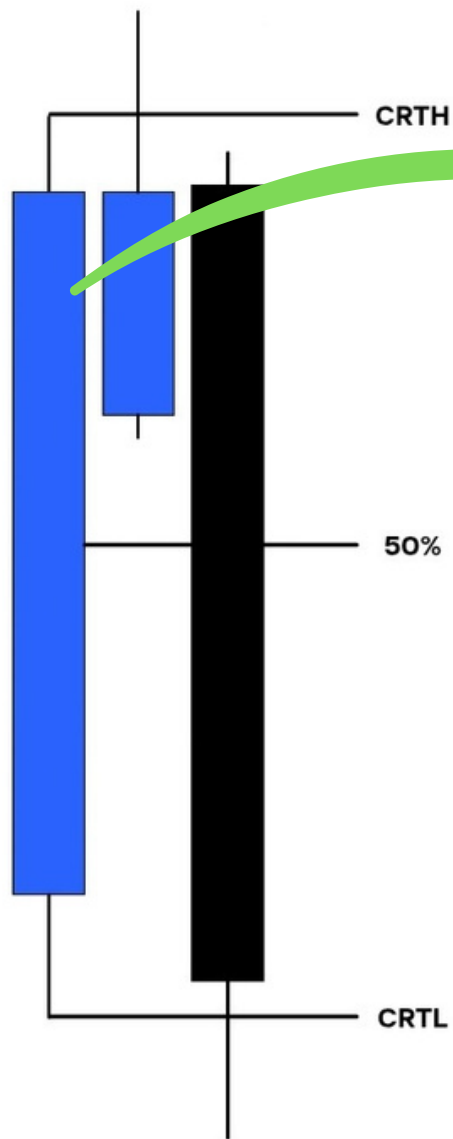

AR 
@ashikruben369

**Before starting let me remind you one
thing, always choose a thick Candle as your
CRT Candle**

The thick **CRT Candle**

**Now let's discuss why does a thick candle
plays as an A+ CRT Candle**

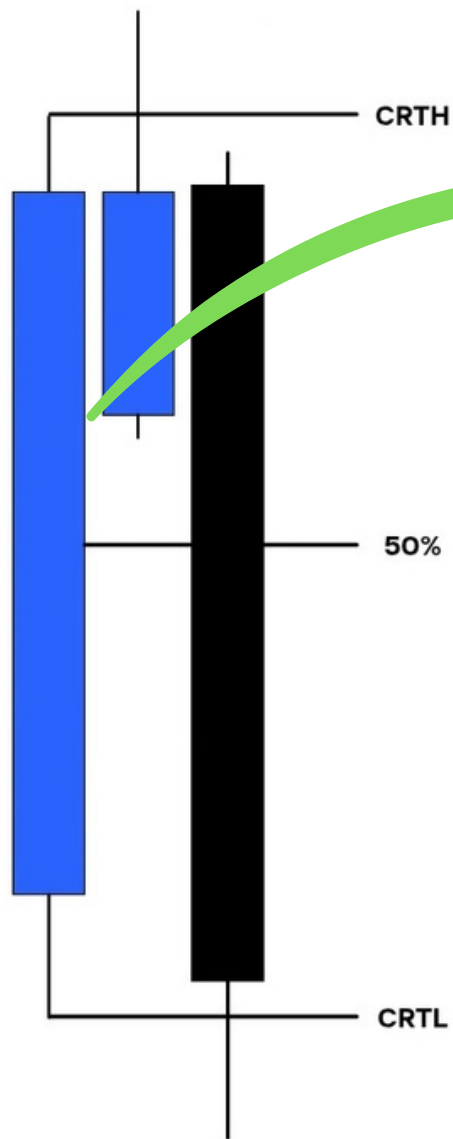

The thick **CRT** Candle

The thick candle always represents
the presence of **liquidity**

**The thick candle always represents
high liquidity**

High liquidity = More chance to play

If you choose a thin body candle, the presence of **liquidity will be low and the chance of play of the candle as a **CRT** Candle will be low**

The thick CRT Candle

Conclusion

**Always choose a thick candle as your
CRT Candle for better trading
experience**
